A Straightforward Business

Making a bid for popular patronage needs no Diplomacy, Finesse or Sharpness in its management. Plain, clean, honest methods are what the public tie to nowadays.

These methods you will find in force here at all times. We attribute our success in a great measure to their strict adherence and practice.

We are here to serve you faithfully. We want this establishment to be known and spoken of as the place where all classes of the communities may come and feel that they are being dealt with in absolute fairness.

Our affiliation with Six other large and progressive Steiger Stores enables us to offer dependable merchandise at prices that cannot be equaled by other houses in this vicinity.

The Best Advertising Medium

IS THE CITY DIRECTORY

Because it is Used the Most to Find Just Such Information You Most Wish to Have the Public Know

First—What line of goods you hand'e. Second—Where you are located. Pick up a City Directory anywhere, and almost invariably you can tell who the progressive, up-to-date merchants and professional men are. There are many brands of clothing, shoes, dry goods, groceries, etc., and some prefer one kind some another. What better place to state your special brands than the City Directory?

The Importance of a Well Patronized City Directory

A city that supports a good directory will give the same support and prosperity to all of its inhabitants; one who is looking for a location will judge wisely if he selects a city that has a well patronized city directory.

It is an infallible evidence to intelligence, thrift and general success and prosperity.

The standard of life in such communities is always high. The people all live well and prosper because the directory draws trade from all the tributary country.
